Has not come to them the news of those who were before them, the people of Nuh, and Aad, and Thamud, and the people of Ibrahim and the companions (i.e., dwellers) of Madyan, and the towns overturned? Their Messengers came to them with clear proofs. And Allah did not wrong them but they wronged themselves.

74. They swear by Allah that they said nothing (wrong) while certainly they had said the word of disbelief and disbelieved after their (pretense of) Islam and planned that which they could not attain. And they were not resentful except (for the fact that) Allah and His Messenger had enriched them of His bounty. So if they repent, it is better for them, and if they turn away, Allah will punish them with a painful punishment in this world and in the Hereafter. And they have none on the earth as a protector or a helper.

75. And among them is he who made a covenant with Allah (saying), "If He gives us out of His bounty, surely we will give charity and surely we will be among the righteous."

76. But when He gave them of His bounty, they became stingy with it and turned away while they were averse.

77. So He penalized them with hypocrisy in their hearts until the day when they will meet Him, because they broke their covenant with Allah which they had promised Him and because they used to lie.

78. Do they not know that Allah knows their secrets and their secret conversations and that Allah is All-Knower

of the unseen.

79. Those who criticize the contributors among the believers concerning their charities and (criticize) those who find nothing (to spend) except their effort, so they ridicule them - Allah will ridicule them, and for them is a painful punishment.

80. Ask forgiveness for them or do not ask forgiveness for them. If you ask forgiveness for them seventy times, Allah will never forgive them. That is because they disbelieved in Allah and His Messenger, and Allah does not guide the defiantly disobedient people.

81. Those who remained behind rejoiced in their staying (at home) behind the Messenger of Allah and they disliked to strive with their wealth and their lives in the way of Allah and said, "Do not go forth in the heat." Say, "The Fire of Hell is more intense in heat," if only they could understand.

82. So let them laugh a little and they will weep much as a recompense for what they used to earn.

83. Then if Allah returns you to a group of them and they ask you permission to go out, then say, "You will never come out with me, ever, and you will not fight with me any enemy. Indeed, you were satisfied

84. And never pray for any of them who dies or stand by his grave. Indeed, they disbelieved in Allah and His Messenger and died while they were defiantly disobedient.

85. And let not their wealth and their children impress you. Allah only intends to punish them through these (things) in this world and that their souls will depart while they are disbelievers.

86. And when a Surah was revealed to believe in Allah and strive with His Messenger, men of wealth among them asked your permission (to stay back) and said, "Leave us to be with those who sit (at home)."

87. They were satisfied to be with those who stayed behind, and their hearts were sealed so they do not understand.

88. But the Messenger and those who believed with him strove with their wealth and their lives. For them are the good things, and those - they are the successful ones.

89. Allah has prepared for them Gardens underneath which rivers flow, wherein they will abide forever. That is the great success.

90. And those who made excuses among the bedouins came asking permission (to stay behind), and those who had lied to Allah and His Messenger sat (at home). A painful punishment will strike those who disbelieved among them.
